

## OUR CONNECTION GROUP MINISTRY

*...is foundational for connecting people to the church. When referring to the church the bible uses word pictures like Family of God, Bride of Christ, and Body of Christ. Therefore our time together is intended to be a healthy family experience where we study God's word, care for one another, and live on mission together.*

*We strive for authentic community where people can know and be known, love and be loved, serve and be served, and minister and be ministered to. Hopefully this guide will help you connect to a group based on age, season of life, or other relational commonalities or maybe there is a new group starting soon.*
